Art Unit: 2822

This Office Action is in response to the amendment filed August 13, 2003.

Claims 11 and 19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Dependent claim 11 is inconsistent with independent claim 1, on which it depends. Specifically, independent claim 1 recites: "Scribe lines for increasing a utilizable area on the wafer, the wafer comprising a plurality of dies in various shapes," but dependent claim 11 inconsistently recites: "The scribe lines of claim 1 wherein the dies are in the same shapes and sizes." Claim 11 should apparently be canceled.

Dependent claim 19 is inconsistent with independent claim 14, on which it depends. Specifically, independent claim 14 recites: "Scribe lines on a wafer, the wafer comprising a plurality of dies in various sizes," but dependent claim 19 inconsistently recites: "The scribe lines of claim 14 wherein the dies are in the same shapes and sizes." Claim 19 should apparently be canceled.

Claims 1-10, 13-18, 20 and 22-30 are allowable over the prior art of record.

The prior art of record does not disclose or suggest the allowable structures taken as a whole, including the varying scribe lines and the varying dies.

Arai (newly cited United States Patent 6,528,864) is relevant to this application.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 2822

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
